

Helmet Happenings

President's Report

Hello all Helmet friends!

Hopefully this bulletin finds you well and have had a good breeding season. I finally put my Helmets together in late May as our part of the country has been extremely wet and cool for many months. The nine pair I have put together have produced a few by late June... whatever I do produce will be enough. The conversations I have had with members seems to indicate the morale of the pigeon hobby to be low. I believe economics is a large part of the problem. When I think of the cost of plane tickets, lodging, food and now gas prices to attend a show it makes me think twice about attending. Also, I know the price of feed has gone up everywhere. This leads to having fewer birds. As a result, less show birds and smaller pigeon shows. Sorry for my narrative but it seems like nothing has gone good in the last year and a half!

This is an election year for all of our club offices. We are hopping for a good turnout with nominees for all positions. In this bulletin you will find your guide for the positions to be filled. Please get this back to Leonard by late July. I believe this club will always keep running with some of us old guys that go back to the 60's but some younger guys need to step up. None of us will be hurt if you take our jobs!

Our hope out West is that we can be lucky enough to have the Canadians join us for a show this Fall. I think District 1 and 2 will have some info on the shows if everything works out for the host clubs to put them on. Regardless, keep enjoying our beautiful Helmets!

One last thought. The guy in PA still has NOT paid for the Helmets he "purchased" from a newer club member. I guess after this long he can be called a THIEF!

Jim

District 1 Report

by K. Mike LaCom

First I would like to thank Harold Strawniak for once again keeping our Master Breeder Points program up to date. This year all current members have their point totals listed even if you did not attend a show last year. Remember, if you are a District Director you need to get your show report to Harold via regular mail.

The Pageant and our Western Sectional is scheduled for Southern California this Fall. The following will be the information I received in the last LAPC bulletin.

“Our Pageant Show Committee has narrowed the location candidates down to two venues, the San Bernardino County Fair in Victorville, and the Los Angeles County Fairplex in Pomona. We are waiting for the LA County Fair to end by May 30th and then the Fairplex will have a meeting with us, and we can talk contract costs. Towards the end of June, we will have a board meeting to compare contracts and decide. Both venues are holding our traditional dates of the weekend before Thanksgiving and our Pageant of Pigeons location will be decided soon. At least knowing the dates are set we can start making plans! Not sure yet whether we will be having a two day show or a three day show, we will decide at the next board meeting. If you plan on flying in, Ontario Airport should be your destination.”

When I know more I will either e mail, Whats App or hard mail the final location.

Secretary's Report

by Leonard Patito

Financially our club is still in good shape with \$91.75 in savings and \$1,869.38 in checking as of June 27th. However, there are a few small receipts that I will need to pay in the near future. Unfortunately I am still having computer problems and cannot update our membership list so you will not find one in this bulletin. We have had a couple of new members join and a few old members are delinquent.

Central VP

Danny Revolinsky

Big thank you to all who showed or Traveled to the National in Amarillo Texas, congratulations to all the Winners!

I would also like to recognize Dennis and Leonard and Chase for setting up the judging area and providing all the materials needed to make it a great show. It has been a while since I held a position in any organization; I apologize for my literary absence in the bulletin.

As most of you already know the National will be returning to Amarillo for the next several years. The last few years of pandemic turmoil have turned everything upside down including our Hobby. I would like to procure a better AHA Banner to show off our Breed and perhaps generate some new breeders. Many of the Clubs including the NPA have went with a Retractable Banner moving away from the old PVC and Tape it to whatever we can type of bygone years. They are very reasonable in price and we can put whatever information we need to encourage new members. Please feel free to reach out to me as I would like to wrap this up before the season starts.

This upcoming show season I would like to get the National Young Bird show back on track and get the numbers back up to make it a very competitive event maybe even a sectional or district meet as we all travel a great distance to get there.

As always I am excited to see what this year bring!

God Bless Love Yall

Danny
